Paws and Stripes
115 Monteclair Dr. SE
Albuquerque, NM 87108

Dear Paws and Stripes,

Every year since the tragedy of 9/11 the members of the Silvi Group Companies have donated money from their own pockets to send care packages to a selected unit serving in Iraq or Afghanistan to let them know they are not forgotten. That they have our support and we are so proud of their sacrifices. Our owners have always matched whatever the employees donated and we continue this tradition this year, our 12th.

As our troops have been transitioning home, we have over the past several years turned our attention to those who have come home and struggle to settle back into their lives. We have made our donations to Wounded Warrior and Jubilee House to name a couple.

This year we have chosen your great organization to make our contribution to our service men and women. The work you do with these men, women and animals is nothing short of amazing and we are so proud to choose you as this year's 2014 Campaign for the Troops recipients.

It is with great American pride that we make this contribution in honor of those who sacrifice everything for our freedom. God Bless.
